

# Save Our Rhinos Shiraz 2019

<b>Viticulture:</b>	Vine age: 19 years Block size: 1.80 ha Density: 4761 vines Yield: 10.0 tons per hectare The only Shiraz vineyard on GlenWood finally achieved the desired balance to produce premium quality grapes. Well balanced growth delivers even ripeness and beautiful structure.
<b>Vinification:</b>	Grapes were harvested in the cool early morning at 25°B, gently crushed and fermented in half-ton open-top fermenters. The grapes were punched down by hand six times a day and fermented until dry.  The wine underwent malolactic fermentation in barrel and was matured for 18 months in second-fill French oak to produce a well-integrated, complex profile.
<b>Analysis:</b>	Alcohol 14% Total Acidity 5.3 g/l Residual Sugar 2.8 g/l pH 3.57
<b>Winemaker's Comments:</b>	An opulent, full-bodied wine with supple, vibrant fruit and tannins. Spicy, white pepper, smoky aromas pervade a ripe, fruit-driven profile.
<b>Production:</b>	800 750ml bottles
